Our growing organization has an intense desire to change the world. We are possessed with a passion to save the planet from Martian invasion.

We want a hot-to-trot Global Senior Executive Assistant (MHC/GSXA) to grow with us. Bring developed skills gained from “trench warfare” and “survival techniques” into chaotic professional environments. These skills are highly valued to provide support for an entrepreneurial lifestyle.

We do our best to enhance peak performance for each member of our teams. If you are a participant on a team or “running solo” to complete a huge project, complex assignment, or tiny task, take charge. For example, if you leave the cave and kill something. Drag it back to the cave and show us how it's done.

Failure is not an Option. The only easy day was yesterday. HooYAH!

6. Get Committed

This is not the typical 9 – 5 “merry-go-round” job. It’s a roller coaster ride!

The regimen is quite similar to classic television reality shows like “Survivor,” “Apprentice” and “the Amazing Race.” This career opportunity demands brainpower, and it gets physical.

The applicant should be tenacious but practice the highest ethical standards. Ooze integrity. The applicant must be well organized, concerned about image, thrive as a leader, and take the initiative to achieve objectives without direct supervision; and perform equally well in a competitive team environment.

Be warned in advance that this career opportunity could be a colossal waste of time if the applicant does not have his or her fundamentals secured. Positive attributes are highly desirable. This is not a job filled with “corporation games.” It is a glorious adventure!

Is this a job entitlement program? NO! This is a rewarding career opportunity based on your hard work and performance.

We are a drug-free and gossip-free zone. Pre-employment testing required. Please, no phone calls and no agencies. Only applicants apply. Relocation is not provided.
